

Safety of children Child Admission Policy

Queen's Leisure Centre and Moorways Swimming Pool

At our swimming pools, we have the following safety ratios for children under eight years old...

Main, Gala and Family pools

1 Adult  =  2 children under eight years old

Teaching pools

1 Adult  =  2 children under four years old +  1 child aged five to seven years old

OR

1 Adult  =  2 children under eight years old

An adult is defined as a responsible person aged 16 years and over. They must go in the water with the children and stay with them at all times.
