

Pride in Place Derby – Board Membership Application

Pride in Place Derby (PIP) is about working together to make **Chaddesden West** a better place to live, work and thrive. The PIP Board brings together local residents, community organisations, businesses and partners to shape priorities and guide how the programme supports the area.

The Board helps ensure that local voices are heard and reflected in decisions. It focuses on what matters most to people in Chaddesden West—building on community strengths, responding to local challenges, and creating lasting, positive change.

We are looking for people and organisations who care about their community and want to make a difference. Resident members represent the views of the wider community, bringing local insight, ideas and a commitment to improving the area. Community groups and businesses bring valuable experience, connections and knowledge, helping to turn ideas into action.

Joining the Board

We are inviting applications from anyone who is passionate about Chaddesden West and wants to play a role in shaping its future.

How members are selected

We want the Board to reflect the diversity, strengths and experiences of the local community. When reviewing applications, we will consider:

For resident members:

- Your understanding of local issues and priorities
- Your motivation and commitment to get involved
- Your connection to the community and ability to listen and share views
- The skills, knowledge or experience you can bring

For community organisations and businesses:

- The work you do and your connection to the area
 - The experience and knowledge you can contribute
 - How you engage with and represent local people or groups
 - Your networks and involvement in Chaddesden West
-

Be part of something positive in your area

We're bringing together local people to help shape the future of Chaddesden West.

This is your chance to:

- Have a real say in what happens locally
- Help influence how funding is used
- Work with others to make things better

You don't need experience—just your ideas, opinions and a bit of time.
