Admission Arrangements

Admission Authorities must set (determine) admission arrangements by 28 February every year, **even if they have not changed from previous years and a consultation has not been required**. Where changes are proposed to admission arrangements, the admission authority must first publicly consult on those arrangements (except where the change is an increase to a school's published admission number or is made to comply with mandatory requirements of the School Admissions Code).

If no changes are made to admission arrangements, they must be consulted on at least every 7 years.

The following schools confirmed to the Local Authority that they **are not** changing their existing arrangements, therefore were not required to consult.

- Chaddesden Park Primary School
- Chellaston Academy

For schools who did not confirm if they are changing their admission arrangements, or that they will remain the same were formally notified by the Council that if, they were proposing to change the arrangements they must consult independently in line with paragraphs 1.45 to 1.53 of the School Admissions Code –see link below.

[The School Admissions Code - Sept 2021](#)

Please contact the Headteacher or Principal of these schools directly to request further information and/or a copy of the admission arrangements for 2023-2024.

Objections to admission arrangements for entry in September 2023 **must** be referred to the Schools Adjudicator by **15 May 2023**. Further information on how to make an objection can be obtained from the [Office of the Schools Adjudicator](#).
