

Derby Jobs Live: With HelloFresh  
Thank you for your patience the session  
will start at 10.05am

**HELLO  
FRESH**

Derby City Council

**Derby Jobs Live**

# Introduction: What is SmartParc SEGRO?

A £300million pound world class cutting edge food production facility based around a campus style Parc, set in 155 acres in Spondon within the heart of Derby.

The site will be home to a “**Food manufacturing Technology Centre of Excellence**” to future-proof the food industry, offering education and career opportunities to secure both the local and global food supply chains.

The flagship site, creating over 4,500 jobs, will be home to the first low-carbon food manufacturing community offering a shared distribution hub and services whilst working together to improve sustainability and reduce costs.

SmartParc and SEGRO will help to ensure **excellent environmental performance and bold efficiency gains** at the ground-breaking site.
