

Derby Jobs Success: Kirsty NHS ; Derby Adult learning Support Office Admin

Kirsty was working in a part time fixed term role within local government that was coming to an end in March 2023. She was looking for office admin work on a part time basis to allow for childcare commitments.

Kirsty had seen the advertisement in Derby Jobs Weekly for the Job Clubs offered through Derby Adult Learning . They are able to help with job searching, interview techniques and CV updating. Jenny from the Derby Adult Learning team was able to assist and provide the relevant support with hints and tips for remote based interviews and confidence building .

Kirsty attended the interview and was offered a role which suited her needs. Kirsty was delighted with the support she has received:

“Part time positions are really difficult to find, I contacted Derby Adult Learning job clubs through the advertisement in Derby Jobs Weekly and was put in contact with Jenny. The interview and cv support I was given helped me with the confidence boost I needed. This support has resulted in me being offered the ideal scenario of part time hybrid working, I am really pleased with the help received from Derby Jobs that has resulted in me returning to employment.
