

October 2022 - Roxana, GXO

Derby Jobs Success: Roxana, GXO Warehousing Roxana had previously worked in warehouse positions. She was looking at returning to work after maternity leave but fitting work around childcare was proving difficult.

Roxana was looking for full time work 9am – 5pm. Derby Jobs Weekly offered full time opportunities with GXO Ted Baker in Derby. These positions were full time Monday to Friday with no weekends which was great.

Derby Jobs Weekly has given me a great opportunity for me to get back into work and offered the ideal scenario of Monday to Friday work. This has helped me plan childcare and work for a great employer who understands my needs. Really pleased with the help received from Derby Jobs that has resulted in me returning to employment.

If you would like to hear more about working at GXO please email employmentandskills@derby.gov.uk
