

Local Area Coordination in the Boulton Ward

Supporting vulnerable people to
get a life not a service.

What is Local Area Coordination?

Local Area Coordination supports people in Derby City who are vulnerable as a result of physical/learning disability, mental health issues, sensory impairment or age related difficulties to:

1. Think about their vision for a good life

Time to talk and think about what would make life better

2. Identify their strengths, skills and gifts

Help finding volunteering opportunities

3. Access a range of information

Support to find information or help navigating the internet

4. Develop relationships and community networks

Support to meet new people or connect with old friends

5. Get their voice heard

Help to speak to services and professionals

6. Take actions to make their life better

Help with planning practical steps to make changes

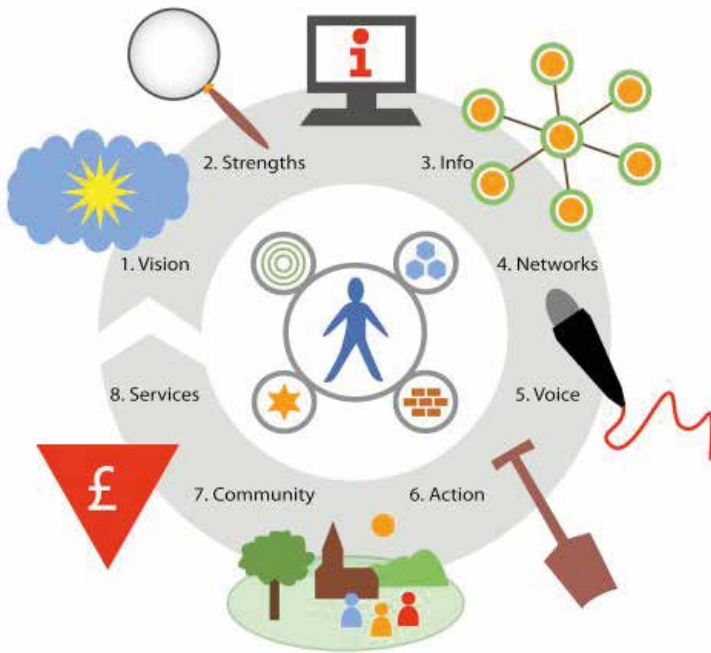

7. Be more involved in their community

Information about activities and groups in their area

8. Get the right help from services

Help to organise support to live life

A Local Area Coordinator will take the time to get to know you, your family and your community.

What the people we support have said

“It’s really nice to be able to come and talk to the same person face to face.”

“The Local Area Coordinator must have done a lot of talking to a lot of people because they were a mine of information...which was very good.”

“The Local Area Coordinator has spent their time getting to know people. Word spreads. Word of mouth is really important. They come to you, you don’t have to try and get to them.”
