

Schedule of Proposed Main Modifications to the Derby City Local Plan - Part 1 Core Strategy Representations Form

How to Make Representations

The statutory period in which representations can be made on the proposed Main Modifications to the Derby City Local Plan - Part 1 Core Strategy and the Sustainability Appraisal will run for six weeks, ending on **Thursday 27 October 2016 at 5pm**.

To be valid, all representations must be submitted within this period and representations should relate to matters of the legal compliance and/or 'soundness' of the main modifications to the Local Plan. The Council considers the submitted Local Plan with the main modifications to be sound, so representations should specify in what respect(s) the Plan is considered to be unsound and what change(s) would be needed to be made to make it sound.

Please refer to the **Proposed Main Modifications**, the Amendment to the Policies Map, the Derby City Local Plan - Part 1 Core Strategy: Proposed Modifications and the Derby City Council Local Plan Part 1: Sustainability Appraisal Report Addendum (Main Modifications).

Representations should only relate to the proposed main modifications and not other aspects of the plan. These must be put forward without prejudice to the Inspector's final conclusions on the plan.
