

'Healthy children and young people, thriving families'

Lead Board: Children, Families and Learners Board

More people feeling safe

Our children and young people and their families feel and are safe

- Reduce the number of **children in care missing episodes**, and those that are at risk of being a victim of crime as a result.
- Reduce the number of children and young people **being exploited**.
- Ensure consistent and early referrals to social care/early help where the risk of **domestic abuse** is identified.
- Increase the number of families **safely staying together** by using a **strengths-based approach**.
- Reduce the prevalence of **serious youth violence**.
- Reduce risks relating to **online incidents** involving children and young people.
- Reduce the number of children and young people **missing education**, with additional checks and support for those **electively home education**.

- Reduce the impacts of **Covid-19** on our children and young people and their families/carers.
- Ensure the **voice of children, young people and their families/carers is heard**.
- Ensure children and young people with neurodevelopmental conditions are supported to **'live their best life'**.
- Provide **early help and targeted support** to reduce the demand for **statutory services**.

Lead Board: Derby & Derbyshire Safeguarding Children Partnership

Improved health equality

"Our children and young people are in their best physical and mental health"

- Support and enable children to **achieve and maintain a healthy weight**, by supporting children and families to live a **healthy life** and make **healthy choices** through a whole systems approach.
- Increase the number of children and young people receiving **targeted mental health support** in schools and receiving an **integrated response** in crisis.
- Address **waiting time issues** for services identified in the SEND Written Statement of Action.
- Reduce the number of children and young people requiring **dental work and hospital extractions**.
- Increase early recognition of children with **speech, language and communication delays**.
- Reduce the **severity of eating disorders** in children and young people through earlier support.

Lead Board: Joined up Care Derbyshire (Children) Board

Improved life chances

"Our children and young people are supported to achieve and become work ready"

- Ensure early, effective and consistent **careers advice** is given in all schools/further education settings.
- Make **mentors** available to all children and young people.
- Ensure the early development of the **right skills** to access employment, education or training in the city.
- Provide targeted support for children and young people in their **career/educational pathways and aspirations**, to support them to achieve them.
- Increase the **join up with local employers** to provide local jobs for our children and young people.
- Reduce the **educational/attainment gap** for children in care and children and young people with special education needs and disabled (SEND)
- Support our SEND young people in **preparation for adulthood** and **independent living** through **person centred reviews**.

Lead Board: Skills Board

Supporting the Derby Recovery Plan to achieve better outcomes for our city and residents

- **Our place** - "a city of big ambitions", focused on confidence, diversification and decarbonisation.
- **Our people** - "a city of health and happiness", focused on health citizens, resilient neighbourhoods and thriving children and young people.

"The principles of our work"
