

Derby City Council Food Hygiene Rating Scheme Re-score Timescale Procedure

Request for a Revisit for the purpose of Re-rating

(Effective from 1st February 2023)

Derby City Council has adopted the following procedure to ensure consistency and fairness when deciding when a re-rating inspection is to take place.

The re-rating visit will be carried out within 12 weeks of receipt of the completed 'Request for a Revisit' form **and** payment.

If your business received a poor score for 'Confidence in Management' (i.e., a 20 or more, your score can be found 2nd page of your visit letter) the revisit will take place towards the end of the 12-week period, as evidence of sustained improvement is required.
