On-street parking
Pay and display
Derby city centre has a pay and display charging system. Charges have to be paid on many streets within the city and apply every day, including Bank Holidays.

Motorcycles
Can park free up to the maximum stay that applies to the marked bays.

Residents
If you live on one of the streets affected by the pay and display charging, it is likely that you qualify for a residents parking permit.

Parking enforcement
The City Council employs a team of civil enforcement officers who regularly patrol the car parks and on-street parking restrictions to:
- provide help and advice
- improve security with the help of CCTV
- enforcement of motorists who park irresponsibly across footway crossings or double park
- check tickets

When parking in pay and display areas please make sure that you buy a ticket immediately after parking your vehicle and that you return before the expiry time of your ticket. The pay and display machines don’t give change. Make sure you have the correct change to pay for your parking or you may have to make an overpayment.

The map overleaf is a guide only and restrictions may apply every day, including Bank Holidays.

The Meteor Centre off the A608 Mansfield Road. Monday to Friday - 7.30am to 6pm, every 15 minutes. Saturday - 8.30am to 6pm, every 10 minutes.

Disabled badge holders
Disabled badge holders can park for free for up to three hours in dedicated Disabled Badge Holder parking spaces. And free unlimited parking:
- in areas covered by on-street charging and limited parking
- in areas covered by residents-only parking schemes

Car parking charges apply to all disabled badge holders in all Council owned car parks.

Discounted season tickets available on application.
