June 2018

HOURS OF OPERATION OF THE SCHEME

Monday to Friday 8am - 6pm, 2 hours limited waiting no return within 1 hour with permit holder exemption.

Outside of these hours, there will be no restriction on parking, except where yellow lines apply.

These areas are for the use of residents who must display a valid residents' parking permit or their visitors who must display a valid visitor's permit. You may issue visitor permits for those undertaking maintenance or improvement to your home. A permit does not guarantee you a parking space.

Any yellow lines (waiting restrictions) within the resident parking zone will continue to apply. Double yellow lines mean no waiting at any time. Single yellow lines will have a sign detailing the hours and days of operation of the restriction.

Generally, loading is permitted, but not near junctions or bus stops. Loading and unloading must be taking place and the vehicle must be moved as soon as the process is complete. Loading only includes the movement of heavy and bulky items to and from premises and the checking and signing of any associated paperwork.

RESIDENTS' ANNUAL PERMITS

- Annual permits are available to certain residents in the zone.
- The permit allows you to park in any of the bays in the zone or in the streets with 'Permit Holders only past this point' signs. It is not street specific.
- There are specific conditions on the issue of business permits as they have to relate to vehicles required operationally for the businesses within the zone.

RESIDENTS' VISITOR PERMITS

- Daily permits are available for your visitors.
- Visitor permits are only valid for your visitors.
- Permits can be reused as many times as required if you have numerous visitors who are there at different times on a single day.

Information for your visitors:

- You must scratch off the day, date and month on the permit.
- The permit must be clearly displayed on the dashboard during the scheme hours.
- Permits are only valid whilst visiting the permit address on the date displayed. As soon as the purpose of your visit is complete, you must remove your vehicle.

CURRENT CHARGES

- Often residents' parking schemes are introduced where the city council initially covers the cost of permits, however after such a period the charges are as follows: residents' annual permits - £25 for the first permit and £50 for additional permits at the same address.
- Residents' visitor permits cost 20 pence each and they are supplied in sheets of four.

BLUE BADGE HOLDERS

Blue Badge holders can also park in resident parking zones, but must display their Blue Badge. Motorists who park in a resident parking zone without a residents' parking permit or Blue Badge will risk receiving a Penalty Charge Notice.

HOW TO OBTAIN A PERMIT

You will be required to complete an application form and provide proof of residency to obtain any permits and proof of vehicle ownership for the annual permit.

IF YOU MOVE....

If you move house the permit becomes invalid and you must return it to the Council. The new occupier cannot use your permit and similarly you must not use it after you have moved. If you move to another house within the Resident Parking Scheme (even if it is the same zone) you will need to apply for a new permit for that address. Your old permit will need to be returned.

WHAT HAPPENS IF I CHANGE MY VEHICLE?

Firstly, remember to keep the Parking Permit when you sell your vehicle. It is in your own interest as a resident to ensure that non-residents do not obtain permits to which they are not entitled. If you have a new vehicle the details of your permit can be changed accordingly. Your old permit will still need to be returned and the new permit will be issued to the same expiry date.

If you fail to return the old permit, or put it on the new vehicle or try to alter the registration number shown on the permit, it becomes invalid and you will be liable to be issued with a Penalty Charge Notice.

RENEWAL OF PERMITS

A reminder is sent out when the annual permit is due for renewal. You can renew your permit at the Council House or online.
