

# RESIDENT PARKING ZONE 38 - LONGFORD STREET AREA

## HOURS OF OPERATION OF THE SCHEME

Monday to Friday, 8am to 8pm, including bank holidays.

Outside of these hours, there will be no restriction on parking, except where yellow lines apply.

These areas are for the use of residents who must hold a valid residents parking permit or their visitors who must be issued with a valid visitors permit.

You may issue visitor permits for those undertaking maintenance or improvement to your home. A permit does not guarantee you a parking space.

Any yellow lines, or limited restrictions within the resident parking zone will continue to apply.

Generally, loading is permitted, but not near junctions. Loading and unloading must be taking place and the vehicle must be moved as soon as the process is complete. Loading only includes the movement of heavy and bulky items to and from premises and the checking and signing of any associated paperwork.

## RESIDENTS PERMITS

- Permits are available to certain residents in the zone.
- The permit allows you to park in any of the bays or area within the zone. It is not street specific.
- There are specific conditions on the issue of business permits as they have to relate to vehicles required operationally for the businesses within the zone.

## RESIDENTS VISITOR PERMITS

- Daily permits are available for your visitors.
- Visitor permits are only valid for your visitors.

## INFORMATION FOR YOUR VISITORS

- You must scratch off the day, date and month on the permit or obtain a virtual visitors permit.
- The permit must be clearly displayed (unless it is virtual) on the dashboard during the scheme hours.
- Permits are only valid whilst visiting the permit address on the date displayed. As soon as the purpose of your visit is complete, you must remove your vehicle.

## CHARGES

Often Residents Parking schemes are introduced where the Council will initially cover the cost of permits for one year. After that the charges will be as follows:

- Residents annual permits - £25 for the first permit £50 for additional permits at the same address.
- Visitor permits - £0.80 for a sheet of four or £4.00 for a batch of 20 virtual visitor permits.

## BLUE BADGE HOLDERS

Blue Badge holders can also park in resident parking zones, but must display their Blue Badge. Motorists who park in a resident parking zone without a residents' parking permit or Blue Badge will risk receiving a Penalty Charge Notice.

## HOW TO OBTAIN A PERMIT

All parking permits are now digital. This means that if you have a current paper permit, when it comes to renewing your permit, you will need to do this through the MiPermit online store:

[www.mipermit.com/derby](http://www.mipermit.com/derby)

If you are a new customer then you will need to create an account with MiPermit and purchase your digital permit.

## IF YOU MOVE HOUSE

If you have moved address within six months of purchasing your permit, please contact MiPermit via the MiPermit online store and ask to have your address transferred. If you have moved address after six months of purchasing your permit, you will need to purchase a new permit.

## WHAT HAPPENS IF I CHANGE MY VEHICLE?

As all of our permits are digital, you will be able to change the Vehicle Registration Mark on your permit by logging into your MiPermit Digital Permit account, the changes made will take effect immediately. If you fail to update the registration number the permit becomes invalid and you will be liable to be issued with a Penalty Charge Notice.

## RENEWAL OF PERMITS

A reminder is sent out when the annual permit is due for renewal. You can renew your permit at the MiPermit online store.

## Ok...we know this is not for everyone

Fear not, paper permits are still in existence and the process for this has not changed, you can still visit The Council House, Corporation Street, Derby DE1 2FS between 9am and 2.45pm, Monday to Friday

or call the Streetpride Team on 0333 200 6981 during these opening hours

or email [customerservices@derby.gov.uk](mailto:customerservices@derby.gov.uk)
